me: they always get everyone's ethnic groups wrong in their illustrations
Selena: you were very fucking BIG WORDY about sex!
me: that's because I don't like writing about sex itself
Selena: hahah i see that
me: I like to make everything less fun
Selena: you wrote about the technology that led you to get sex
Selena: or at least to 3rd base
Selena: how's tejas

me: who wants to fund my project
Selena: oh wow, congrats!
me: and start a new cable news outlet
me: yeah, it was kind of unexpected
Selena: oh that's amazing
me: you may recall me living on my friend's couch not too long ago
Selena: yes.
me: and owning a single mug
me: and having you buy me vodka
me: so, yeah, it's wacky

me: I changed my zip code
me: on OK Cupid
me: largely as an experiment
me: my incompatability with the the local girls was such
me: that my top match was a tranny
me: who had moved there for some reason
me: I tried to send him/her a message
me: but her mailbox was filled with what I assume to be hate mail
Selena: ohhhhh bummer hahahaha
me: I would have gone for it

me: http://www.okcupid.com/profile/HighPocketsinTX
Selena: little old for you?
me: the age is the only thing she has going for her
me: I like older women
Selena: ahahahah oh yeah
me: the sad thing is that this is one of the more erudite profiles I see in Texas
Selena: she doesn't seem entirely terrible
me: there's like three references to Christianity in the first three paragraphs
Selena: i skimmed that shit
Selena: i don't want to look at a woman's profile when her eyes are too close together
me: actually the women down here aren't that bad
Selena: i can picture them being attractive in a big fake blonde sort of way
me: it's just that they're so much cleverer on average in New York

me: yeah, but I don't go for that
Selena: i know you don't
